FOR WEDNESDAY. Local rains and partly cloudy weather; winds generally from the east; stationary, followed by rising temperature.

We offer such combinations in this direction as no other house in this city can. We begin at \$3.50 for a splendid wearing suit, and between this price and \$10 we show hundreds at the

Cuticura

DISFIGURING HUMORS. ITCHING TORTURES AND LOATHSOME SORES.

I HAVE TRIED for eleven years to have my wife cured of a terrible skin disease. The CUTICURA Remedies (Cuticura Resolvent, non-bleeding, internally, and Cuticura, the great skin cleanser, externally) have done in six weeks what I have tried for eleven years to have done. You shall have the particulars as soon as I can give them to you, and as we are so well known in this part of the country, it will benefit you, and the remedies will cure all who use them.

CHAS. H. WHITE, Mayville, Ky.

BLOTCHES CURED. I used your CUTICURA Remedies for blotches, and am completely cured, to my inexpressible joy. Cuticura Soap is the best I have ever used, and to the profession it is invaluable for cleaning the skin, thereby removing all "red" spots, pimples, and all the stuff used by them, leaving the skin pure and white and soft. My greatest pleasure is in recommending such an article.

Champion Colicue Miller Skater, Youngstown, Ohio.

BEST FOR ANYTHING. Having used your Cuticura Remedies for eighteen months for Tetter, and finally cured it, I am anxious to get it to sell on commission. I can recommend it beyond any remedy I have ever used for Tetter, Burns, Cuts, etc. In fact, it is the best medicine I have ever tried for any skin disease.

R. S. HORTON, Myrtle, Miss.

NEVER A COMPLAINT. Since I have been using your Cuticura Remedies I have never heard a single complaint, but on the contrary every one who has used them has been well pleased with them, and they outsell all others.

E. R. CUBBERLY, Druggist, Andrews, Ind.

SCROFULOUS SORES. I had a dozen bad sores on my body, and tried all remedies I could hear of, and at last tried your Cuticura Remedies, and they have cured me.

JNO. GASKILL, Herron, Thayer County, Penn.

CUTICURA REMEDIES are sold everywhere. Price: CUTICURA, 50 cents; RESOLVENT, \$1.50; 25 cents. Prepared by the FORTIN DRUG AND CHEMICAL CO., Boston, Mass.

Send for "How to Cure Skin Diseases."

Stomach, Pimples, Blackheads and TAN, Oily Skin, use the CUTICURA SOAP.

COOLER TO-DAY,

And our changeable weather should be a reminder to those who have not provided themselves with a Spring or Light-Weight Overcoat that it is absolutely necessary everybody to have one of these Overcoats in this climate. Who knows but what \$5, \$10 or \$15 invested in one of "THE MODEL" Spring Overcoats may save a dollar's bill, or even life itself?

Our trade on Hats and Caps is fairly astounding. It simply proves conclusively that popular prices on Hats and Caps, inaugurated in this city by THE MODEL, is what has long been a desideratum in this city. We are selling splendid Fur Stiff Hats, in brown and black, at \$1.48; cost \$2 in all the hat stores. All the newest shades in Light Derby hats at \$2.50, \$3 and \$3.50, and our great leader at \$8 cents fairly takes the breath out of competitors, as they wonder how we can sell Hats at even less than they pay for the same goods. Buying goods in large quantities, and being satisfied with small profits in Hats and caps, Clothing and Furnishing Goods, is the cause of the immense business that is always done by The

GENERAL NEWS.

Congressmen Jealous of One Another's Suggestions to the Appointing Power--Marine Band Concerts.

The Illinois Senatorial Agony Finally Ended--Logan Succeeds Himself After an Unprecedented Contest.

LIFE IN WASHINGTON.

It Files on Angel Wings Since the Marine Band Concerts Commenced.

Special to the Sentinel.

WASHINGTON, May 19.—While Congressmen are jealous of their influence in making suggestions to the appointing power, they did not take cheerfully, as a rule, to Postmaster Vilas' circular. While the notice, so far as I could learn, was generally approved, they did not care to assume the responsibility of launching out as conspicuous figures in what might be styled a system of espionage. There was nothing wrong, nothing possible to criticize in the letter save that it imposed construed improper duties upon Congressmen, and was marked private. But that was perhaps an ingenious trick of his to give the instrument publicity. A hint at secrecy gave an interest to the epistle that otherwise it would not have obtained, but possibly the administration hopes for large favor from the people by moving in a mysterious way its wonders to perform.

It is to be hoped that the first Democratic President in the new political order of things will not give evidence of fearing the press. "This is the first administration," was the language of a journalist of whose experience in Washington is long and reputation is national, "that I have ever known disposed to withhold what is legitimately news from the public. It is impossible, and it is possible, it would be impolitic. In the affairs of republican government, human nature demands to be taken into confidence. The press represents the people, and has larger resources than Pinkerton in getting facts. It will have the news if it has to steal it."

Life in Washington may now really be said to have wings. The summer concert by the Marine Band have begun. They were a trifle later this year than usual, owing, it is said, to a misunderstanding between the President and the Secretary of the Navy. The President thought the Secretary would begin when the time came, and the Secretary was waiting the President's orders. Thus the matter stood, while the rumor journeyed abroad that they had been discontinued for the reason that objectionable characters were attracted. For this disagreeable impression there was not a particle of foundation. President Arthur gave instructions to the police on that subject two summers ago that they should not allow a brass band, the over-worked department clerks will feel refreshed.

All of the Cabinet, Postmaster Vilas is most in the company of the President. Thomas M. Geoghegan, of Nashville, Brown County, who, as Route Agent, will be between Indianapolis and Decatur, Ill., is said to be the first Federal officer ever taken from Brown County. The appointment was made on the recommendation of Colonel Malison.

NATIONAL NOTES.

P. Carr, Sioux Falls, Territory of Dakota.

A circular letter has been prepared at the Treasury Department which says that while it is not considered the business of the department to assist in the collection of bills, the continued refusal of employees to meet their just debts will be considered sufficient cause for their discharge.

The usual purchase of silver bullion for the mints was omitted.

The Secretary of the Treasury has appointed E. P. Bradford to be Superintendent of the public building at Minneapolis, Minn. It is learned at the State Department that the presence of Minister Phelps at the conclusion of the trial of the Irish-Americans, Cunningham and Barton, in London, yesterday, was in pursuance of special instructions received by him prior to his departure for England, looking to the protection of the legal rights of the prisoners. Mr. Phelps reached London Friday night, and was received as minister only on Saturday last.

Indians in Washington.

Special to the Sentinel.

WASHINGTON, May 19.—Mr. Hendricks, with a number of Indians, spent the afternoon in witnessing the graduating exer-

cises of a business college. The diplomas were delivered by Secretary Lamar.

All quiet on the Potomac to-day, so far as the Hoosiers are concerned.

Colonel Matson will leave for home on Monday next, with his family. Mr. Hendricks and his private secretary will not leave Friday. Judge Ward and Judge Lowry will remain.

ILLINOIS LEGISLATURE.

General Logan Elected to the United States Senate--His Speech on the Occasion.

SPRINGFIELD, Ill., May 19.—In the joint session of the Legislature there was a great jam in the House, both on the floor and in the galleries. Fifty-one Senators and 153 Representatives were present. When the vote was taken a dead silence prevailed. The Democrats refused to vote. The Republican Senators all voted for Logan, giving him twenty-six votes. Ruler's vote was received with cheers. When Republican Sligh was called, in a long speech explaining his position, he voted for Logan under protest, and the announcement was received with the wildest cheers. This gave the vote of 103 for Logan. On the call of the absentees, the Democrats voted, and, solidly, for Judge Lambert Tree. After the roll call, Baker, McNary, McAllister, Caldwell, Quinn and Crafts changed their votes to Charles B. Farwell. Barry (Democrat) changed his vote to John A. Logan, and the wildest confusion prevailed. This insured his election. The roll call was proceeded with after a time, the Democrats attempting to elect Farwell (Republican) hoping to get some Republican votes.

Barry withdrew his vote from Logan, but stated he would not allow any other Republican but Logan to be elected.

3:30 p. m.—No Republican speaker went to Farwell and Speaker Haines finally announced the vote, declaring Logan elected.

Upon the announcement of the vote General Logan was called for, and, being conducted to the Speaker's desk, spoke as follows:

GENTLEMEN OF THE SENATE AND HOUSE OF REPRESENTATIVES OF THE STATE OF ILLINOIS—I congratulate you upon having brought to a conclusion the most remarkable contest which has ever gone on for nearly four months. I have no words to express my gratitude to the representatives of this great State who have supported me. They have paid me to-day, having been elected for the third time to represent this great State in the Senate of the United States. I have so acted and so felt myself in the position before me to bring no discredit upon myself, my party, State and country, and my past history is the only guarantee I can give for my future course. From the deepest recess of my bosom I thank you for the honor you have conferred upon me. There is no position on earth which could be more gratifying than to represent this great State in the Senate of the United States. I have so acted and so felt myself in the position before me to bring no discredit upon myself, my party, State and country, and my past history is the only guarantee I can give for my future course.
